II.1.4) Short description

The Council have ambitious plans to improve the living conditions of our tenants whilst improving assets and have significant external works investment programmes in place over the coming years.

Contractors will be required to carryout external works including external wall insulation with rendered finish and pitched roofing work programmes; providing the necessary access equipment to safely carryout the work. They will have appropriate certifications in relation to all aspects of associated works and tasks including all areas of the fabric and fixtures of properties and common areas of blocks.

They will be required to achieve the Councils' investment programme carrying out notifiable work ensuring this is carried out in a timely manner which ensures best value.

In order to meet the Council programme, where necessary, contractors will apply for appropriate warrants. Contractors will have all legal accreditations and qualifications in order to carryout work providing evidence of same. Contractors must provide evidence in Section 4.C of the SPD of any legal accreditations and qualifications required to carry out the scopes of work and services in order to pass qualification criteria Failure to do so will result in exclusion from the tender.
