II.1) Scope of the procurement

II.1.1) Title

Civil Infrastructure Repairs, Renewals and Remediation

Reference number

C22127

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Nuclear Waste Services (NWS) brings together the UK's leading nuclear waste management capabilities.

We have integrated the expertise of Low Level Waste Repository (LLWR), Radioactive Waste Management (RWM), and the Nuclear Decommissioning Authority (NDA) group's Integrated Waste Management Programme (IWMP). This creates an organisation focused on the management of the UK's nuclear waste, safely and securely for generations to come.

We are part of the NDA group, which is undertaking the biggest clean-up project in Europe over many decades. Nuclear Waste Services is integral to this environmental clean-up mission, as we work to provide permanent answers to our country's nuclear waste.

More information on NWS can be found here:

<https://www.gov.uk/government/organisations/nuclear-waste-services/about>

NWS is due to commence a procurement to undergo Civil Infrastructure Repairs, Renewals and Remediation at its Drigg site in West Cumbria (Drigg, Old Shore Road, Holmrook, Cumbria CA19 1XP), which involves a number of small works including Car Parks, Minor Civils, Vegetation removal, Barriers & Fencing, Roads & Paths, and Demolition.

II.1.5) Estimated total value

Value excluding VAT: £1,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45200000 - Works for complete or part construction and civil engineering work
- 45233280 - Erection of road-barriers
- 45200000 - Works for complete or part construction and civil engineering work
- 45000000 - Construction work
- 45113000 - Siteworks
- 45111220 - Scrub-removal work
- 45100000 - Site preparation work
- 45233120 - Road construction works
- 45223300 - Parking lot construction work
- 45111000 - Demolition, site preparation and clearance work

II.2.3) Place of performance

NUTS codes

- UKD11 - West Cumbria

Main site or place of performance

Drigg, Old Shore Road, Holmrook, Cumbria CA19 1XP

II.2.4) Description of the procurement

Organisations are invited to view the draft scope via NWS's ATAMIS system which can be accessed against Record Ref C22127 once logged into Atamis

<https://atamis-2464.my.site.com/s/Welcome>.

The scope details a number of Civil Assets and Items on the LLW Repository Site that require repair, renewal, or remediation as agreed by the LLWR Site Director. As part of this outline scope, defects have been categorised into the following sections:

- [CP] Car Parks & Compounds
- [MC] Minor Civils
- [V] Vegetation
- [BF] Barriers & Fences
- [RP] Roads & Paths
- [DR] Demolition & Removal

NWS is seeking feedback from the supply chain which involves a site visit of the NWS site and a subsequent workshop with the supply chain to develop the scope.

NWS intends to hold the site visit on Tuesday 5th November where suppliers are permitted with a maximum of 2 attendees (however this is subject to change due to market interest). Please confirm your attendees with job title and email address by utilising the Atamis messaging centre of the C22127 record by Tuesday 22nd October.

II.3) Estimated date of publication of contract notice

1 April 2025

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
