Engagement

Engagement deadline

9 May 2025

The engagement was carried out before this notice was published.

Engagement process description

The Council published a Market Engagement Questionnaire on 14th January 2025 via a Prior Information Notice, inviting responses from interested parties, to be submitted via the Kent Business Portal by 10th February 2025. The relevant Prior Information notice advertising this market engagement opportunity can be found here: <https://www.find-tender.service.gov.uk/Notice/001126-2025>. An advert was also published on the Kent Business Portal.

A total of 49 questionnaire responses were received. These responses were collated and reviewed, and used to help the Council determine its procurement strategy. Data was collected with regards to organisation experience and specialism, which in particular has been used to inform contract lotting. As indicated in the Prior Information Notice, the Council invited a limited number of organisations (5) who had responded to this Market Engagement Questionnaire to participate in 1:1 market engagement sessions, held via Microsoft Teams. These organisations were selected based upon feedback given within their questionnaire responses, with a range of organisation sizes and specialisms represented. These sessions discussed themes from the market engagement questionnaire.

A summary of the key themes considered during the market engagement phase, from these sessions and written feedback received from the market engagement questionnaires will be published as part of the tender pack, and made available to all prospective tenderers.

The Council intends to hold a Bidder Briefing Session on the morning of Thursday 26th June 2025, to provide more details relating to the upcoming procurement process. This will be

held at the University of Kent, Canterbury. Due to capacity, interested organisations should email alison.blackman@kent.gov.uk to register their interest in attending and obtain an invitation, where full details will be shared.

This event will include a presentation from the Council's Commercial and Procurement team to provide information about the upcoming procurement process,

Due to venue capacity, the Council will be able to accommodate a maximum of 2 delegates per organisation.
