II.1.1) Title

Work Placement Software Package

Reference number

UOB/GEN535/2021/11

II.1.2) Main CPV code

- 48100000 - Industry specific software package

II.1.3) Type of contract

Supplies

II.1.4) Short description

1.1 The University is looking for a work placement software system. This type of placement allocation software is needed to allocate learners to suitable placements in healthcare settings and is crucial to ensure that the learners can experience working in a range of clinical settings and become proficient in all areas of their practice. The aim is to secure placement allocation solution that our practice partners can also access, to enhance the allocation of learners. This software will ensure that learners and practice partners can plan their placement experience over the duration of their studies, so enhancing the student experience. The software solution will assist in the planning, managing and auditing of this key aspect of learner education.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes

- UKH - East of England
