II.2.4) Description of the procurement

EEM are conducting this tender exercise to procure a Communal Entrance Doors Framework to replace our existing Framework which will expire in January 2025.

The Framework will provide EEM Members with a provision for the supply, installation and maintenance of aluminium and steel communal entrance doors. Services delivered via this framework will be to domestic and commercial properties. There will be occasions where a member requires contractors to enter occupied premises for requirements.

Domestic properties will typically be consisting of a mixture of domestic housing stock, bungalows, blocks of flats, and sheltered housing schemes as well as garages, and depots and any other building owned and/or managed by our membership.

Commercial properties will include but not be limited to business units, office buildings, hospitals and care facilities, academies, schools, colleges, universities, education centres, student accommodation, homes and care facilities for older people, children's homes and centres, community centres, leisure centres and gyms, libraries, pavilions, changing rooms and public toilets, outdoor leisure facilities, car parks, industrial units, depots, and garages.

The Framework will be split into the following workstream lots:

Lot 1 - Supply and Installation of Aluminium Communal Entrance Doors (including maintenance)

Lot 2 - Supply and Installation of Steel Communal Entrance Doors (including maintenance)

Coverage will be National - Contractors must be able to provide services in at least 5 of the locations listed below:

North East (England)

North West (England)

Yorkshire and the Humber

East Midlands (England)

West Midlands (England)

East of England

London

South East (England)

South West (England)

Wales

All of the services described above are mandatory elements covered by Lot 1 of the Framework. Bidders should not submit a bid unless they are able to deliver all elements of the works required under the lot they are applying for.

The Framework is being procured by Efficiency East Midlands Ltd (EEM) on behalf of their members and the other organisations described in Section VI.3) as being authorised users. The call-off contracts to be awarded pursuant to the Framework agreements to be entered at conclusion of the procurement exercise may extend for a duration of up to 5 years beyond expiry of the 4-year framework term. The estimated lot value as described in II.2.6) takes into account the full Framework term, the possibility that the EEM membership may grow over the framework lifetime.

VI.3) Additional information

The call-off contract's to be awarded pursuant to the Framework Agreements to be entered at conclusion of the procurement exercise begun by publication of the Contract Notice may extend for a duration of up to five years beyond expiry of the four-year term of the Framework Agreement.

Please note that the total potential framework value stated within this notice is in relation to the full 4-year framework and takes into consideration the lot structure, length of call off contracts and that the EEM membership may grow over the framework lifetime.

Where the contract notice states a maximum of suppliers to be appointed to the Framework, EEM reserves the right to appoint less than the numbers stated.

The Framework is being procured by EEM on behalf of the organisations that have been accepted as authorised users. Authorised users are classed as any current company law member, any future company law members and any user that has been authorised access to the frameworks and other public procurement tools provided by EEM.

EEM is incorporated as a company limited by guarantee and is owned and governed by a small number of organisations who make up our 'Company Law Members', all of which are Contracting Authorities in their own right. The Framework Agreements being procured by the procurement exercise begun by publication of the Contract Notice will be entered by EEM as the Contracting Authority which will have undertaken and completed that procurement exercise. Any reference in the Contract Notice or tender documents to Contracting Authority is deemed to be and include a reference to EEM.

The organisations entitled to access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of the Contract Notice are:

Any current EEM Member - being an organisation which is a Company Law Member of EEM at the date of this Contract Notice and being one of the organisations who owns and governs EEM;

Any Future Member of EEM, from time to time Company Law Members and the EEM Board may appoint additional organisations to become Company Law Members. All

Future Members will also be Contracting Authorities in their own right; and

A Framework User - being an organisation who has signed and agreed to the terms of accessing EEM Frameworks and who is authorised to access the frameworks and other public procurement tools provided by EEM.

EEM frameworks may accessed by all publicly funded organisations. Frameworks can be used by any organisation that falls in to one or more of the categories listed below and can be identified through the links provided as users in accordance with the Public Contracts Regulations 2015 or the Procurement Act 2023.

The list of potential framework users below is not exhaustive of all organisations who can utilise EEM services, access will be granted to any publicly funded organisation.
