Competitive flexible procedure description

The Competitive Flexible Procedure is described in the T100 tender documents which are available on eTendersNL.

Justification for not publishing a preliminary market engagement notice

Market engagement was carried out under the UCRs prior to the go live date of the PA 2023. A PIN was published, reference; 2024/S 000-000408. Suppliers expressed interest in this requirement and meetings were held with each of those suppliers.
