II.1.4) Short description

Contract for the Design, Build, Management & Operation of a Household Waste Recycling Facility for the Residents of Stockton on Tees & Middlesbrough Borough Councils.

The facility will allow residents of the two boroughs to dispose of additional household waste which is not ordinarily collected by the respective councils. This includes items such as wood, hardcore & rubble, cardboard, glass, garden waste, scrap metal etc. The site needs to be capable of accepting between 25-30 thousand tonnes of material per annum.

The facility needs to achieve high rates of recycling and aim to minimise waste sent for energy recovery and landfill wherever possible. The site also needs to place a key emphasis on high levels of customer service and ensure an efficient experience for residents on site.

Any potential new facility provided by the Operator needs to meet the Council's criteria of being in a non-residential area and near major road networks to be accessible to residents of the two boroughs.

An indicative site location map is provided within the tender documentation.
