II.2.4) Description of the procurement

Falkirk Council wishes to undertake a tendering process to enter into a framework agreement with suitably experienced Gas Safe registered

contractors for the provision of Gas Heating Replacement and Related Gas Services to Council Housing Properties within the Falkirk

Council Area of Operations.

Key aims is the delivery of individual one-off ad-hoc replacement and upgrade of existing gas central heating installations and gas

appliances to existing dwellings timeously and to the required standard, providing a competitive, reliable and customer-focused service.

The works mainly comprise of: -

- Complete central heating replacement systems on an individual “one off” ad-hoc basis – approx. 200 properties per year.

- Minor replacement works e.g., boiler, fire replacements, removal and reinstate/relocation of radiators, gas meters & associated pipework – approx. 1100 properties per year.
- The complete stripping out on an ad-hoc basis of existing and installation of new gas central heating systems to dwellings.
- Associated builders work including catchment areas, electrical connections etc.

This is a framework agreement to which a maximum of up to 5 contractors will be appointed. In practice The Authority may therefore utilise a number of organisations for provision of the service dependent on price, availability and local circumstances.
