Award

## **UKRI-5001 Fire stopping services**

UK Research & Innovation

UK5: Transparency notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-031770

Procurement identifier (OCID): ocds-h6vhtk-054748 ([view related notices](#))

Published 12 June 2025, 10:05am

## **Scope**

## **Reference**

UKRI-5001

## **Description**

UK Research and Innovation had a requirement to address critical fire compliance issues identified at the STFC Daresbury site. A bespoke, single-sided fire-rated solution was designed and approved to address this, and the work is being delivered by Rhodar Industrial Services Ltd.

- 3 months, 2 days

## **Main procurement category**

Works

## **CPV classifications**

- 45343000 - Fire-prevention installation works

## **Contract locations**

- UKD61 - Warrington

---

## **Procedure**

### **Procedure type**

Direct award

### **Direct award justification**

Single supplier - technical reasons

This procurement is justified as a direct award to Rhodar Ltd due to the unique technical and operational requirements of the project, combined with a critical time constraint. Competing the work would risk unacceptable delays, cost increases, and reputational harm to UKRI.

Rhodar is the only supplier able to deliver the bespoke 12m fire-rated wall (fire stopping service) due to access constraints and the specialist design already approved.
