Published 12 June 2025, 11:29am

Scope

Reference

C343749

Description

The Contracting Authority is requiring for a supplier to produce analysis and statistical information to support local commissioning of drug and alcohol treatment using data from NDTMS. This will include independent production of national and official statistics publications and supporting data, independent verification of responses to FOI and PQ requests, and research publications requiring academic expertise. The Contracting Authority also requires the supplier to produce and support the web presence of public access national statistics from data collected through the National Drug Treatment Monitoring System, and provide professional reporting of management information via restricted, secure access routes.

Contract 1. DHSC: GPH: National Drug Treatment Monitoring System (NDTMS)
