Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

Current Ratio, Net Assets (Total Assets minus Total Liabilities), Three Years' Continuous Profitable Trading

Minimum level(s) of standards possibly required

Current Ratio: Current ratio must be greater than 1.0 for each year for the last three years. This will be assessed by the Contracting Authority by reference to an independent financial reporting service

Net Assets (Total Assets minus Total Liabilities). This must be positive (greater than zero) each year for the last three years. This will be assessed by the Contracting Authority by reference to an independent financial reporting service

Three Years' Continuous Profitable Trading: The Candidate should demonstrate three years' continuous profitable trading over the last three years of trading. This will be assessed by the Contracting Authority by reference to an independent financial reporting service. Any period negative profitability is to be explained in detail by the Candidate: this

explanation will be taken into the reasonable consideration of the Contracting Authority in assessing Submissions. Where the Contracting Authority is satisfied with the explanation and overall financial viability of the Candidate, it reserves the right to proceed with the Candidate's application

The Contracting Authority notes its obligation under Regulation 60(9) stating that: "(9) Before awarding the contract, except a contract based on a framework agreement concluded in accordance with regulation 34(6) or (7)(a) (framework agreements), the contracting authority must require the tenderer to which it has decided to award the contract to submit up-to-date supporting documents in accordance with regulation 61 (means of proof)

However, in submitting an application, the Candidate understands and accepts the Contracting Authority's right under Regulation 61 (8) to consider means of proof which it deems appropriate: "Where, for any valid reason, the economic operator is unable to provide the references or other information required by the contracting authority, it may prove its economic and financial standing by any other document which the contracting authority considers appropriate"

III.1.3) Technical and professional ability

List and brief description of selection criteria

The successful Service Provider will be required to demonstrate successful delivery of the required services over a widespread and geographically and economically diverse area, specifically including the successful delivery of community benefits as required by this contract

Certification in terms of Quality Management (ISO9000); Environmental (ISO 14000); Health and Safety (ISO18000); and Business Continuity (ISO22301)

Minimum level(s) of standards possibly required

Demonstration of successful delivery of similar requirements to at least one similarly large and complex organisation over the last three years

III.2) Conditions related to the contract

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV. Procedure

(SC Ref:677226)

VI.4) Procedures for review

VI.4.1) Review body

Glasgow Sheriff Court and Justice of the Peace Court

1 Carlton Place

Glasgow

G5 9TW

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Scottish Fire and Rescue Service (SFRS) must, by notice in writing as soon as possible after the decision has been made, inform all

tenderers and candidates of its decision to award the contract, conclude the framework agreement or establish a dynamic purchasing

system. The SFRS will incorporate a minimum 10 calendar day standstill at the point information on the contract award is communicated to

tenderers. The SFRS is obliged to comply with the regulations and any eligible economic operator can bring an action in the Sheriff Court

or the Court of Session where as a consequence of a breach by the SFRS, they suffer or

risk suffering loss or damage. The bringing of court

proceedings during the standstill period means that the SFRS must not enter into the contract, conclude the framework agreement or

establish the dynamic purchasing system unless the proceedings are determined, discontinued or disposed of: or the court, by interim order,

brings to an end the prohibition. The bringing of court proceedings after the standstill period has elapsed and the remedies that are available

to the courts are detailed in the regulations.
