Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

The Tenderer must be registered or enrolled in the relevant trade register kept in the Member State of its establishment as described in Schedule 5 of the Public Contracts (Scotland) Regulations 2015.

Tenderers should confirm they are registered or enrolled on the relevant trade register and provide information relating to this i.e. registration number, member number etc. Failure to do so may result in the Tenderer being disqualified from the process

III.1.2) Economic and financial standing

List and brief description of selection criteria

Tenderers must confirm they already have or commit to obtain prior to the commencement of the contract, the following levels of insurance:

- Employers Liability – statutory minimum 5m GBP, each and every claim (and no relevant working at height restriction)
- Public and products liability – minimum 5m GBP, each and every claim, but in the aggregate for products
- Statutory motor vehicle cover, with a valid MV certificate in the company name and no less than 5m GBP for property damage cover OR where there is no company fleet and employees use their own vehicles instead, a letter signed by a person of appropriate authority confirming that the provider has ongoing arrangements in place to ensure that employees' vehicles are appropriately insured and maintained for business purposes.

It is recommended that Tenderers review their own D&B Failure Score in advance of submitting their SPD Submission. If, following this review, Tenderers consider that the D&B Failure Score does not reflect their current financial status; the Tenderer should give an explanation within the SPD Submission, together with any relevant supporting independent evidence.

Where the Tenderer is under no obligation to publish accounts and therefore does not have a D&B Failure Score, they must provide their audited financial accounts for the previous 2 years as part of their SPD Submission in order that the Council may assess these to determine the suitability of the Tenderer to undertake a contract of this size.

Where a consortium bid is received, the D&B Failure Score of each consortium member shall

be assessed.

Minimum level(s) of standards possibly required

Tenderers must self-declare as part of the SPD (Scotland), as contained in the Qualification Envelope that they will have the requested insurance cover as detailed in this document, the SPD and Contract Notice, or commit to obtain the insurance prior to the commencement of the Contract.

If Tenderers do not currently hold this level of cover they may in the SPD (Scotland) state that in the event of being successful in the procurement process for a Contract, the required insurance cover will be put in place. Evidence of the required insurance cover will be a condition of entering into a Contract. It is condition of the Contract that these minimum indemnity levels be held for the duration of the Contract and updated evidence will be required on the insurance renewal date.

Tenderers unable to commit to obtain the levels of insurance detailed above will be assessed as a FAIL and be excluded from the competition.

Tenderers who do not achieve a minimum D&B failure score of 20 and above and fail to provide any additional explanation or supporting information may be assessed as a FAIL and may be excluded from the Procurement Process.

Tenderers who do not provide sufficient financial information as they consider that their D&B Failure Score does not reflect their current financial status by the SPD Submission deadline may be assessed as a FAIL and may be excluded from the Procurement Process.

Tenderers that do provide sufficient financial information as they consider that their D&B Failure Score does not reflect their current financial status by the SPD Submission deadline however fail to satisfy the Council that they have sufficient financial standing to undertake requirements within this procurement exercise will be assessed as a FAIL and will be excluded from the Procurement Process.

III.1.3) Technical and professional ability

List and brief description of selection criteria

4C.1 - Tenderers are required to provide two (2) examples of supplies and services carried out within the past three (3) years that demonstrate that they have the relevant experience to deliver supply and installation services similar in scope, scale and duration to that described in the Specification of Requirements.

Examples should include:

- Name of project with brief description and duration, including start and end dates (month/year) it was carried out,
- Name of Client,
- Name of contact within the Client's organisation and their contact details, who may be contacted for further information, and Brief description of whether, or not, the project was completed on time and within budget

The Tenderer must hold a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent), or documented policies and procedures as set out in the ITT document Part 4 D.1 (Quality Assurance) Minimum Requirements.

Evidence of appropriate health and safety procedures, policies and documentation with example risk assessments for manual handling, working at height and other key risks associated with the nature and scope of the contract requirements.

Minimum level(s) of standards possibly required

Tenderers unable to submit examples which demonstrate relevant experience in at least two (2) projects similar in scope and scale to the Specification of Requirements will not be considered.

Tenderers unable to meet the minimum requirements for quality management system certification will be assessed as a FAIL and will be excluded from the competition.

Tenderers unable to submit sufficient Health and Safety certification will be assessed as a FAIL and will be excluded from the competition.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Refer to ITT - the Council has included requirement for community benefits

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV. Procedure
