II.2.4) Description of the procurement

The Authority launched a single "bundled procurement" for a SaaS Solution along with a Systems Integrator (SI). By "bundled procurement" the Authority means that the SaaS Solution and Systems Implementation solution are procured through a single process to work together in partnership from the outset, jointly proposing a cohesive solution and delivery approach which meets the Authority's outcome-based requirements and demonstrates they are a compatible supplier partnership.

The Authority conducted this Procurement using the Competitive Procedure with Negotiation (CPN) in accordance with the requirements of Regulation 29 of the PCR Regulations 2015. The four stages of the CPN procurement which were applied can be seen below;

Stage 1 - Selection Questionnaire (SQ) - Suppliers submitted responses to the Selection Questionnaire in the e-Sourcing Portal. Following the evaluation of the Selection

Questionnaire the Authority selected five Suppliers successful at Stage One to progress and submit an Initial Tender.

Stage 2 - Invitation to Submit Initial Tender (ITSIT) - A maximum of 5 Suppliers (unique bids) successful at Stage 1 received the "Invitation to Submit Initial Tenders" document. That document provided Tenderers with details of Stage Two, including the Timetable, the process, the Requirements, the Draft Contract and how to submit the Initial Tender. The Initial Tenders were evaluated in accordance with the Evaluation Criteria set out in the ITSIT Tender. The Authority reserved the right to award the contracts to the highest ranked Initial Tender submitted at this stage (but was not obliged to do so).

Stage 3 - Negotiations and Invitation to Submit Final Tenders (ITSFT) - The Authority did not elect to award to the highest ranked Supplier at Stage Two, the Authority invited those successful at Stage Two to negotiate with the Authority. This Invitations to Submit Final Tenders were issued to all Suppliers who participated in the negotiation stage and had not voluntarily withdrawn.

Stage 4 - (Contract Award) - The Final Tenders were evaluated in accordance with the Evaluation Criteria set out in the ITSFT Tender document. The Authority identified the highest scoring Final Tender and notified all Suppliers of the outcome of the Procurement.
