It is expected that the contract will be procured with a term of no less than 3 years with an optional extension of 2 years (maximum of 5 years) and based on the NHS Standard Contract term and conditions. The indicative value for the total proposed contract is £100,000 per annum (£500,000 excluding VAT over 5 years).

Contract value figures and contract durations quoted in this prior information notice (PIN) are indicative only and are subject to amendment by the CCG. Interested providers may wish to register their interest in the procurement via the London Shared Services (LSS) tender portal (Procontract) so as to ensure that as and when further information is shared

by the CCG they receive a notification of any new information published on the tender portal related to this future procurement.

Interested parties can register an account on the ProContract portal (link below) and once registered and logged in, you can express an interest in the project and access the "Market Engagement" page.
