II.1.4) Short description

The London Borough of Enfield ('the Council') is undertaking pre-procurement market engagement to gather market intelligence and views regarding a provision of extra care service at Reardon Court of the borough.

As part of this pre-procurement market engagement, interested providers are invited to:

Either attend

- a face-to-face market engagement event to be held on 15 November 2022 OR
- a virtual market engagement event to be held on 16 November 2022 from 10:00am to 12:00 noon via Microsoft Teams (please make sure you have this facility ahead of the event if you wish to attend this one);

In addition, interested providers are invited to submit a Soft Market Test (SMT) Questionnaire (Appendix 1 – included in the Market Engagement pack and uploaded on to www.londontenders.org). This should be completed and submitted to the Council by 12:00 noon on 10 November 2022.

Detail information and joining instructions on both the face-to-face and virtual events will be provided following registration for either of the event. Please clearly state which event you would like to attend and include details of your delegates, that MUST NOT be more than 2 in number for the face-to-face event.

Registration for the events should be made via the London Tenders Portal at <https://www.londontenders.org>, no later than 17:00 on 7 November 2022.

The purpose of this initial engagement phase is to help inform the Council's options and further decision making.

For the avoidance of doubt, this PIN is intended as an awareness/information gathering exercise only and is not a call to competition, is not a pre-qualification process and is not the start of a formal procurement exercise.

Participation or non-participation in this pre-procurement market engagement shall not prevent any potential provider participating in, nor shall it place any potential provider at an advantage in any future procurement opportunity.

Any future procurement opportunity could be published early next year (2023). However, this timeframe is indicative only and the Council reserves the right to reschedule any forthcoming publication at any time.

Participants must also know that they should cover their own cost of participating in this market engagement and the Council is not liable for any cost incurred due to potential provider's participation in the exercise.

VII.2) Other additional information

Please note Main CPV Code 800000000 - Education and training services - was ticked by accident while it was supposed to be Main CPV Code 850000000. The latter is the correct one.

Please note that this will not affect activities that have already taken place and organisations that have responded previously anyone that might respond after this change will be treated equally.

Also please note that organisations will not be prejudiced by any response or failure to respond to this pre-procurement market engagement or failure to attend the market engagement event or any follow up meetings that may be arranged at the absolute discretion of the Council in line with the market engagement documentation.

Also please note the Authority will now run the virtual session only on 16 November from 10:30am to 12:30pm due to low level of response for the face-to-face event.

Registration for the virtual event as well as submission deadline for the SMT Questionnaire form is also extended until 12:00noon on Tuesday 15th November.
