Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Sheffield Substance Misuse Service

II.1.2) Main CPV code

- 85100000 - Health services

II.1.3) Type of contract

Services

II.1.4) Short description

Sheffield City Council (SCC) will soon be advertising the opportunity to bid to deliver the new adult Substance Misuse Service. The service will provide, through an integrated service model, a city-wide response for adults to all substance use disorders and any newly emerging substance use trends through the life of the contract. In addition, the successful bidder will be required to provide a range of interventions for individuals who're involved in or at risk of entering the criminal justice system.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 85000000 - Health and social work services

II.2.3) Place of performance

NUTS codes

- UKE32 - Sheffield

II.2.4) Description of the procurement

Sheffield City Council (SCC) will soon be advertising the opportunity to bid to deliver the new adult Substance Misuse Service.

The service will provide, through an integrated service model, a city-wide response for adults to all substance use disorders and any newly emerging substance use trends through the life of the contract. In addition, the successful bidder will be required to provide a range of interventions for individuals who're involved in or at risk of entering the criminal justice system.

SCC has recently been given a funding allocation from Office for Health Improvement and Disparities (OHID) to fulfil the requirements of the new National Drug Strategy 'From Harm to Hope', which includes £8.4m over 3 years, 2022-2025 (subject to ministerial sign off). This funding will come as a Supplemental Funding for Substance Misuse Treatment and Recovery Grant (SSMTRG). The requirements of the grant are to improve the treatment and recovery system and will be additional funding for substance misuse, which presents a significant opportunity to invest in system wide expansions and improvements.

We intend to publish the invitation to tender early in the new year, and it is anticipated the new contract will start on the 1st of August 2023.

In preparation, please ensure you are registered on the Council's e-tendering platform <https://yortender.eu-supply.com/> where it will be advertised along with all the tender documentation.

This project falls under the Light Touch Regime. The anticipated procurement procedure will involve an invitation to tender, followed by clarification meeting and the submission of a best and final offer. Potential bidders are to be aware that the value of the contract opportunity advertised will be in for the full term at the value of both the core fund and the supplemental grant funding for all years in the event that the supplemental grant funding is extended, however the supplemental grant funding is only confirmed until 31/03/2025. The above is subject to change ahead of the publication of the formal tender.

II.2.14) Additional information

We will be hosting a bidding information event on 30/11/2022 ahead of the release of the tender. This is your opportunity to talk to representatives Commissioning and Procurement teams. Follow the link above to YORtender where you will find more information about the event and where to register your place. Any information shared at the event is subject to change prior to publication of the tender.

II.3) Estimated date of publication of contract notice

2 January 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
