Section VI. Complementary information

VI.3) Additional information

Scottish Forestry is currently exploring different ways to use the Framework Agreement. This includes options like awarding contracts directly or running a mini-competition. We're also interested in working with organisations that have specialist skills, especially where partnering with another organisation could help meet the full requirements. If your organisation has relevant expertise, we encourage you to express your interest.

This notice is to gauge the interest in this opportunity to help inform the procurement strategy. Scottish Forestry may contact organisations for further feedback in order to understand the market.

It is anticipated that an Invitation to Tender (ITT) will be issued in early July. The Framework Agreement will commence in October/November. More information will be available within the ITT.

Information contained in this Prior Information Notice is subject to change.
