Tender

MSDC - Cultural Operator for the redevelopment and operation of the Clair Hall Site in Perrymount Road Haywards Heath

Mid Sussex District Council

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Scope

Description

The Council is seeking the appointment of a cultural operator for the redevelopment and ongoing operation of the site known as the 'Clair Hall' (the Site). The Council's ambition is to create a vibrant and inclusive creative cultural hub in the centre of Haywards Heath. The venue will be one that welcomes all communities and provides inspiration through film, art and performance.

The Site has development potential (as further explained in the Information Memorandum). The Council's objective is to ultimately develop a new cultural facility (yet to be constructed) on part of the Site, with the remaining area to be redeveloped for other uses (such as residential). This follows the decision by the Council's Cabinet on 8th March 2025 to proceed with the recommendation that "the Clair Hall site be regenerated by way of a mixed-use development to provide a new cultural facility, funded through the land value".

On that basis, the Council is seeking to appoint a cultural operator to support the Council during a design and development period with a view to ultimately leasing and operating the

cultural facility.

Preliminary Market Engagement (PME) has been undertaken by the Council and its advisors, the findings of which have informed the procurement for this Opportunity. The PME included building on a market engagement exercise undertaken in 2023 by way of engaging with industry specialists and arts / cinema operators (ranging from premium operators through to small independent operators) to explore the interest in the Opportunity, the market knowledge and the likely conditions for participation and contractual / commercial terms.

Further detail on the market engagement exercise is set out in the Preliminary Engagement Notice issued by the Council on 06 June 2025.

The 'total value (estimate; inclusive of VAT)' stated in this notice is an estimate based on market information and industry standards with an assumption of £1.5m turnover and 100,000 ticket sales per annum over an estimated lease period of 15 years.

The 'total value (estimate; exclusive of VAT)' stated in this notice has been calculated by removing VAT valued at 20% from the previous figure.

Competitive flexible procedure description

This Competitive flexible procedure is being launched after the Council conducted Preliminary Market Engagement (please refer to Notice 2025/S 000-030704).

The expected process of the procurement is as set out below, and Bidders should refer to 'Section 2: Participation Process' of the Invitation to Participate and the Invitation to Tender (as issued via the Council's Portal) for further detail.

Interested parties are invited to submit a Participation Submission. The Council will evaluate Participation Submissions received in accordance with the participation criteria and methodology set out in 'Section 4: Participation Submission evaluation' of the Invitation to Participate.

Invitation to Tender: subject to there being sufficient Bidders qualifying, the Council's intention is to invite between four (4) and six (6) Bidders. If there is a minimal scoring gap between Bidders four (4) and five (5) the Council reserves the right to invite 5 Bidders to tender; and if there is a minimal scoring gap between Bidders five (5) and six (6), the Council reserves the right to invite six (6) Bidders to tender.

Following the shortlist, the Council will formally issue the Invitation to Tender to the shortlisted Bidders (the "Tenderers").

The Council intends to hold a number of meetings with the Tenderers to discuss their emerging proposals before issuing a call for Final Tenders. The Council reserves the right to introduce additional meetings or remove meetings throughout the procurement.

Final Tenders received will be evaluated in accordance with the award criteria set out in the draft Invitation to Tender (as issued via the Council's Portal). Further detail on the award criteria will be set out in the updated Invitation to Tender issued at shortlisting.

Following evaluation, and identification of the most advantageous tender, the Council intends to hold 'preferred tenderer' stage with the Tenderer who submitted the most advantageous tender prior to entry into contract so as to clarify and confirm commitments made and for limited post tender negotiation.

The Council reserves the right to vary the procurement process set out above and in the procurement documents at any stage in the procurement.

Please note that the 'contract start date' and 'award decision date' included within this Tender Notice are estimates and may be subject to change.

The Council considered whether the opportunity was suitable for dividing into lots. It was determined that the opportunity was not suitable for dividing on the basis that:

- dividing into lots could increase technical risk to delivery
- the scheme requires a single cohesive approach in assisting the Council with the procurement of a Developer and the ultimate operation of the venue (and multiple operators could undermine this)
- the size / scale of the site does not require multiple operators
- it could make the contract disproportionately expensive to manage
