The Trust also currently has two further Free Schools under development and in the pre-opening stage. Oak Tree School will be a 150-place special school located in Wokingham and is due to open in September 2022. River Academy will be a 1,500-place secondary school with sixth form and is due to open in September 2023. Both these schools are included in this MIS procurement.

It has been the desire of the Trust to move to a single, off-site/cloud-hosted MIS platform across all of its schools, and this was the purpose of this procurement.
