UKE45 - Wakefield

## II.2.4) Description of the procurement

The Council is looking for an innovative, user-friendly and up to date software solution for Leisure Services. The solution will enable Leisure Services to fully manage their Service Provision within the 6 Leisure Facilities in the Wakefield District.

The Successful Supplier will work with Leisure Services to leverage any benefit from industry trends and innovations to enhance the Customer and Council user experience. The solution will enable Wakefield Council to deliver the following objectives:

- Give residents the best opportunity to improve fitness and benefit from tangible health improvements through improved access to fitness facilities.
- Enhance Service delivery and improve the customer journey
- Enable customers to self-serve more efficiently, reducing the need to interact with staff and creating a more seamless customer journey
- -Enhance front of house processes by introducing a seamless and contactless sign-up process, using self-service kiosks and electronic membership sales

The Contract will be awarded for an initial period of three operational years, including implementation. After the initial period, there will three extension options of two calendar years each. The full Contract period shall be for a maximum of 9 years.

The solution will be a cloud hosted solution and must be hosted in the United Kingdom (UK) and compliant with relevant UK Law. The system is required to use additional multifactor authentication or support Single Sign On using the Councils Azure Active directory.

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### II.2.6) Estimated value

Value excluding VAT: £1,000,000

# II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

**Duration in months** 

36

This contract is subject to renewal

No

# II.2.10) Information about variants

Variants will be accepted: No

# II.2.11) Information about options

Options: Yes

Description of options

The Contract will be awarded for an initial period of three operational years, including implementation. After the initial period, there will three extension options of two calendar years each. The full Contract period shall be for a maximum of 9 years.
