As stated in the procurement documents

III.1.4) Objective rules and criteria for participation

List and brief description of rules and criteria

Tenderers' response to the PQQ will be scored in the order as outlined in the sourcing portal, with

those sections marked as Pass/Fail where the Tenderer will either meet or fail to meet the minimum

criteria. All prospective Tenderers are required to pass each question within the SWS PQQ response

forms. A full response to Qualification Envelope is required, except where indicated. Failure to

respond fully to any required question in this section or not being able to meet the minimum

requirement will result in the submission being non-compliant and being excluded from the process,

except where the SWS Commercial Head determines that a genuine error has been made, and a

correction may then be permitted

III.1.8) Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Consortium proposed legal structure if the group of economic operators intends to form a named

single legal entity prior to signing a contract, if awarded. If you do not propose to form a single legal

entity, please explain the legal structure. Southern Water may require the consortium to assume a

specific legal form if awarded the contract, to the extent that it is necessary for the satisfactory

performance of the contract

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

As stated in the procurement documents

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure
