SMD is defined as concurrent experiences of three or more of: homelessness, substance use, mental health issues, domestic and sexual violence or abuse, and contact with the criminal justice system.

Nottingham City Place Based Partnership is committed to improving the outcomes for people experiencing SMD and aims to procure 'Changing Futures' services as part of meeting these needs. Nottingham has secured ongoing funding through the Integrated Care Board's Health Inequalities Innovation Improvement Fund.

The Services will be commissioned in two Lots:

Lot 1 is the Main Delivery Service (MDS)

Lot 2 is the Partnership Learning Hub (PLH).

Providers are invited to tender for Lot 1 and/or Lot 2.

Lot 1 - The Main Delivery Service comprises the required Core functions:

Front Line Delivery:

- a. Intensive Case Management
- b. Multi-Disciplinary Team
- c. Peer Mentoring

System Development:

- e. Learning and Evaluation

Lot 2 - The Partnership Learning Hub: training and shared learning to all system partners and services in Nottingham.

Changing Futures anticipates attracting additional funding over the period of the contract and should additional resources become available, enhanced services may be added to the contract, as explained in the tender documents.

The contract duration for both Lots will be for 3 years with a possible extension of 2 years at the Council's discretion and subject to continued funding from the ICB.
