The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The International Guns, Missiles and Rockets Project Team, part of the UK Ministry of Defence (MOD) intends to award a 5-year contract to MSI Defence Systems Ltd (MSI-DSL) for Contracting for Availability (CfA) services for the 30mm Gun System across the Naval fleet from June 2024.

It is considered that the award of the contract without prior publication of a contract notice in the UK notification service is lawful under Regulation 16 (1) (a)(ii) of the Defence and Security Public Contracts Regulations 2011 on the grounds of the following technical reasons.

- i. MSI-DSL are the OEM and Design Authority for the in-service 30mm Gunnery Systems and;
- ii. have proven technical proficiency to resolve the growing obsolescence issues and;
- iii. have a number of capability improvement options at a high level of technical readiness which could be embodied immediately and;
- iv. as a result are the only supplier who could concurrently and efficiently manage both the ongoing in-service support and critical obsolescence resolution at a high TRL to prevent operational defects and degraded operational capability to the Fleet.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
