The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 20343. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

A sub-contract clause has been included in this contract. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

The Procurement Reform Act states that regulation 25 applies where the “contracting authority proposes to carry out a regulated procurement in relation to which the estimated value of the contract is equal to or greater than 4,000,000 GBP”.

However, in line with Scottish Government guidance for regulated procurements above the 50,000 GBP threshold, Community Benefits will be sought through a scored quality question that will form part of the contractual obligation. Bidders will be asked to select benefits they will offer as part of their bid from a Community Benefits Menu, with each benefit being attributed a certain number of points. Bidders will be asked to provide a certain number of points if they want to achieve the maximum possible percentage weighting for scoring purposes.
