**** Please note this is not a call for competition. This is a PIN notice for a Government Office for Science (GO-Science) requirement****

BEIS and the Government Office for Science are planning to renew the Futures Procurement Framework. This is a register of consultants and researchers that can be called upon by HM Government Departments, Agencies and UK public bodies to support longer-term strategic work (Futures and foresight) and further developing these capabilities in government. To provide more detail on the proposed framework, its aims and objectives and required expertise, GO-Science will host a market engagement session for prospective suppliers on Thursday, 1st December 2022. There will be a Q&A opportunity, and (a maximum of 2) key consultants or project/commercial leads from prospective supplier organisations are encouraged to attend.

We would like to invite prospective bidders to attend a pre-market engagement session on Thursday, 1st December 2022 14:00 - 15:30 via MS Teams.

The agenda for the day is as follows:

- Introductions, • Overview of the requirement, • Framework expectations • Procurement overview, • Discussion / Q&A

Note that the route to market will be via Find a Tender and Contracts Finder.
