Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

CRM & Billing System

II.1.2) Main CPV code

- 72212445 - Customer Relation Management software development services

II.1.3) Type of contract

Services

II.1.4) Short description

Portsmouth Water is seeking to undertake the implementation of a hosted replacement Customer Relationship Management (CRM) and billing system. This will revolutionise our relationship with our customers, providing the capability to present insightful data to customers and deliver superior service levels.

Most importantly, the delivery of the new CRM system capable of leveraging smart metering capabilities, is a critical enabler for realising the benefits of rolling out smart metering in Portsmouth Water's supply area to meet our water resources challenges.

II.1.5) Estimated total value

Value excluding VAT: £14,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48445000 - Customer Relation Management software package
- 48444100 - Billing system
- 72212445 - Customer Relation Management software development services
- 64210000 - Telephone and data transmission services

- 72415000 - World wide web (www) site operation host services
- 48100000 - Industry specific software package
- 48333000 - Contact management software package
- 48480000 - Sales, marketing and business intelligence software package
- 48500000 - Communication and multimedia software package
- 48510000 - Communication software package
- 51000000 - Installation services (except software)
- 72200000 - Software programming and consultancy services
- 72227000 - Software integration consultancy services
- 72263000 - Software implementation services
- 72265000 - Software configuration services
- 72267000 - Software maintenance and repair services
- 64216110 - Electronic data exchange services
- 72300000 - Data services

II.2.3) Place of performance

NUTS codes

- UKJ - South East (England)

Main site or place of performance

SOUTH EAST (ENGLAND)

II.2.4) Description of the procurement

Portsmouth Water is seeking to undertake the implementation and hosting of a replacement CRM and billing system. This will revolutionise our relationship with our customers, providing the capability to present insightful data to customers and deliver superior service levels. Most importantly, the delivery of the new CRM system capable of leveraging smart metering capabilities, is a critical enabler for realising the benefits of rolling out smart metering in Portsmouth Water's supply area. The increased data and analytics that the smart programme will deliver, including granular customer usage insight, is a crucial component in engaging our customer base to reduce demand and achieve our water savings.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £14,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

72

This contract is subject to renewal

Yes

Description of renewals

Initial implementation + 5 year term followed by option to renew for a further 5 year term.

II.2.10) Information about variants

Variants will be accepted: No
