Grŵp Cynefin is seeking to create a multi-lot Development Consultants Framework (“Framework”) across their area of operation to a range of Service Providers. The Framework is intended for use across North Wales, as required by Grŵp Cynefin and other Contracting Authorities (primarily other registered providers of social housing) across this area. References to Grŵp Cynefin are to be considered to include other Contracting Authorities that may access the resultant Framework.

The definable groups of Contracting Authorities that may access this Framework are available from the following web locations:

<https://gov.wales/registered-social-landlords>

Framework duration will be 4 years, with commencement anticipated for February 2023. Grŵp Cynefin estimated expenditure (with Service Providers, not the total estimate of build costs) across the multiple lots of the proposed Framework is circa 8,000,000GBP. A further 2,000,000GBP is anticipated under awards made by other Contracting Authorities.
