Engagement process description

As part of our preliminary market engagement, we are issuing this UK2 notice to share early information regarding the upcoming Golden Lane Estate Investment Programme. An accompanying information pack is provided to give contractors insight into the scope,

objectives, and procurement approach for the project.

To support this engagement, we will be hosting an in-person information event on Tuesday 2nd July 2025, where interested and experienced contractors will have the opportunity to learn more about the programme, engage with the project team, and participate in a live Q&A session. This event aims to obtain early dialogue, clarify any initial queries, and inform the development of the forthcoming procurement strategy.

This session will include:

A detailed overview of the Golden Lane Estate Investment Programme

The proposed delivery and procurement options, including phased decant strategy

Offer contractors an opportunity to provide feedback

Include a live Q&A session with the project team

Following this session, contractors who remain interested will be invited to engage in one-to-one discussions to explore the programme and procurement strategy in greater depth at a later date.

Contractors are encouraged to review the information pack in advance and attend the session.

To confirm attendance, please contact Georgia Lawrence, Commercial Lead, at georgia.lawrence@cityoflondon.gov.uk
