Electrical Submersibles and Diesel Pumps for the Environment Agency

Reference number

P-32458

II.1.2) Main CPV code

- 43134100 - Submersible pumps

II.1.3) Type of contract

Supplies

II.1.4) Short description

This is a PIN for a potential contract for a range of Electrical Submersibles and Diesel Pumps for the Environment Agency. We are looking for a possible range of 6, 12, 16 & 24 inch pumps. Please note that the size and quantity of pumps are subject to change & will be confirmed should this tender go out to market.

This PIN was updated on the 31st October 2023 (from the original 2023-450223) to also include that the successful supplier would be looking at upgrading our existing pump fleet which range in pump sizes from 6"-24", with the most efficient , low / neutral carbon drive units. The lots have been updated and instead of being split across three groups of assets, lot 1 will provide a managing agent for the purchase of all new assets and lot 2 supplier will refurbish current assets. This includes the proposal of updating software control panels with the ability of remote monitoring and operation. We have also updated the anticipated contract value.

II.1.5) Estimated total value

Value excluding VAT: £9,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

II.2) Description
