II.1.3) Type of contract

Works

II.1.4) Short description

The Council is seeking to appoint a Private Sector Partner ("PSP") to act as a master developer with the financial means and relevant experience, skills, and resources to make a significant contribution to achieving the vision for Belfast City via participation in a public private development partnership ("the Partnership") with the Council. The opportunity comprises development opportunities across a number identified and potential sites as follows:

1) "Seed Sites" – These are sites that are largely owned by the Council (with other bodies including public sector bodies currently holding some ownership interest) which will be made available for development by the Partnership. The proposed Seed Sites that will be included in the scope of the Partnership initially are:

Site 1 – Lands at Exchange Street and 24-42 Corporation Street

Site 2 – Inner North West South – including Smithfield Market and Samuel Street

Site 3 – Lands at 22-38 Gloucester Street

Site 4 – Lands at Ormeau Avenue

2) "Additional Opportunity Sites" – These are further sites that the Council owns or are in the

ownership of other public sector bodies (or other third parties) within Belfast City boundary that may be made available for development by the Partnership at some point in the future which may assist in achieving the Council's objectives if brought within the scope of the Partnership. It is unlikely that the Additional Opportunity Sites will be available for development by the Partnership at the outset but the Council is confident that such sites, particularly the public sector owned sites can be brought forward for development by the Partnership in the future. The opportunity may also significantly increase by the inclusion of third party owned land coming into the Partnership. Please note that the Council will not be obliged to bring forward any Additional Opportunity Sites but the Partnership will be expected to consider any proposals that the Council may put forward in relation to them. Accordingly the extent of the opportunity available to the Partnership extends to these sites. Because the Council is not currently in control of all of the Additional Opportunity Sites it is not possible to be definitive as to the actual value of those site but the Council has put forward an estimate for these Additonal Opportunity Sites below.

At the request of the Council the PSP shall advise and assist with formulating any proposals to acquire a title interest in any relevant Additional Opportunity Sites. Only if so requested by and at the direction of the Council, the Partnership shall then take the lead on negotiating commercial terms for the acquisition, and the subsequent development, of the relevant Additional Opportunity Sites.

The estimated total value of this opportunity is £630,000,000.

For indicative information, this value is anticipated to be allocated between the types of site stated above as follows:

- Seed Sites = £280,000,000

- Additional Opportunity Sites = £350,000,000

Maximum contract duration - 25 years (300 months). Initial duration of the Partnership pursuant to a Strategic Partnership Agreement - 15 years (180 months) with an optional 10 year (120 month) extension at the discretion of the Council. Individual sites will be progressed pursuant to separate development agreements which will be agreed in accordance with the processes set out in the Strategic Partnership Agreement.

The Council is a local authority and therefore is a “contracting authority” for the purposes of the Public Contracts Regulations 2015 (“PCR 2015”) and the Concession Contracts Regulations 2016 (“CCR 2016”). The Council is using the competitive dialogue process pursuant to Regulation 30 of the Public Contracts Regulations 2015 (as amended) (PCR) which will involve the following core stages:

Stage 1 – Selection Stage -a Selection Questionnaire (SQ) stage to shortlist Tenderers based on their capacity, capability, and financial standing;

Stage 2 – Dialogue Stage – issue of the the Invitation to Participate in Dialogue (ITPD) stage comprised of the submission of Outline Solutions with detailed Dialogue.

Stage 3 - Final Tender Stage - Close of Dialogue and the submission and evaluation of Final Tenders, following which the winning Tenderer will be selected.

Stage 4 – Contract Award Stage - Finalisation with Preferred Bidder and Award

Those Tenderers shortlisted at Stage 1 will be invited to participate in the Dialogue stage of the process and will be requested to provide Outline Solutions to meet the requirements outlined in the Project Specification and the Award Criteria. Outline Solutions will be subject to detailed dialogue.

The Council intend to invite three (3) Tenderers to participate in Stage 2 and such Tenderers will be selected on the basis of them being the three highest scoring at the SQ stage, provided they all meet all minimum standards of qualification set out in the Selection Questionnaire.

The three Tenderers will, following the close of dialogue, be invited to submit final tenders.
