# **Section II: Object**

## II.1) Scope of the procurement

### II.1.1) Title

Offsite Construction Solutions

Reference number

RM6184

### II.1.2) Main CPV code

• 45000000 - Construction work

### II.1.3) Type of contract

#### Works

#### II.1.4) Short description

Crown Commercial Service (CCS) as the Authority intends to put in place a Pan Government Collaborative Agreement for the provision of Offsite Construction Solutions as a multi-lot framework agreement available for use by UK public sector bodies and future successor organisation, which includes Central Government Departments and their arm's length bodies and agencies, the wider public sector and third sector including, but not limited to, local government, health, education, police, fire and rescue, housing associations and charities.

Services will be delivered primarily within the United Kingdom, with some limited requirements overseas.

The lotting structure of this framework will be determined as a result of the market engagement.

Further information is included in the Additional Information section VI.3.

#### II.1.5) Estimated total value

Value excluding VAT: £10,000,000,000

#### II.1.6) Information about lots

This contract is divided into lots: No

### II.2) Description

#### II.2.3) Place of performance

**NUTS** codes

• UK - United Kingdom

#### II.2.4) Description of the procurement

Offsite Construction Solutions framework alliance contract is to provide the supply, design, delivery, construction/installation and maintenance of both temporary and permanent buildings/installations, purchased or hired.

The supplier alliance members awarded to this framework alliance contract are experienced providers and manufacturers of Offsite Construction Solutions.

This agreement will give its users direct access to manufacturers in a wide range of building types, standalone and response solutions. It will offer access to all Offsite solution categories 1 to 5 as detailed in MMC Definition Framework here.

#### II.2.14) Additional information

Lot structure will be finalised at the end of our market engagement.

## II.3) Estimated date of publication of contract notice

1 July 2022

### Section IV. Procedure

## IV.1) Description

### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

## **Section VI. Complementary information**

### VI.3) Additional information

This Prior Information Notice is to signal an intention to commence market engagement with those within the Offsite Construction market.

Crown Commercial Service intends to hold market engagement sessions during January and February 2022 with existing and new suppliers interested in potentially bidding for the resulting framework contract. If you are interested in attending a market engagement session please express your interest by emailing <a href="modular.buildings@crowncommercial.gov.uk">modular.buildings@crowncommercial.gov.uk</a>. Further details will be provided to you.

Your email must clearly state: the name of your organisation, and contact details for the individual(s) who will be participating in the market engagement.

Crown Commercial Service (CCS) will use an eSourcing system for this competition and reserves the right to use an electronic auction. The eSourcing system we will use is [https://crowncommercialservice.bravosolution.co.uk].

Please note that, to register, you must have a valid DUNS number (as provided by Dun and Bradstreet) for the organisation which you are registering, who will be entering into a contract if invited to do so.

The value in II.1.5 is an indicative value over 84 months.

The date in II.3) is the estimated date of publication, please refer to the CCS website page <a href="https://www.crowncommercial.gov.uk/agreements/RM6184">https://www.crowncommercial.gov.uk/agreements/RM6184</a> for updates and monitor Find a Tender Service for the publication of the FTS contract notice.

The Cyber Essentials scheme is mandatory for Central Government Contracts which involve handling personal information and providing certain ICT products and services. The Government is taking steps to further reduce the levels of cyber security risk in its supply chain through the Cyber Essentials scheme. The scheme defines a set of controls which, when properly implemented, will provide organisations with basic protection from the most prevalent forms of threat coming from the internet.

The bidder may be awarded a contract but shall not enter into any call off contracts with buyers until they are able to demonstrate to CCS that they meet the technical requirements prescribed by the Cyber Essentials Scheme for services under and in connection with this procurement.
