II.2.4) Description of the procurement

The Trust is anticipating a procurement process that will be published to deliver UTC services in the London Borough of Bexley. The Trust is seeking to identify the most suitable provider to partner with as a subcontractor to bid with and, if successful, partner with to deliver the services.

The Trust will use information that is available to it to make its assessment under the most suitable provider process under the Provider Selection Regime.

When considering the key criteria the Trust will prioritise the following criteria:

- integration, collaboration and service sustainability
- improving access, reducing health inequalities and facilitating choice

And then balance the following criteria equally in its assessment:

- quality and innovation
- value
- social value.

If you think your organisation should be considered as part of this process, please send a cover letter to the email address in this notice, linking to your website and any relevant or other publicly available information that will aid in our assessment.

The Trust is of the view, taking into account likely

providers and all relevant information available to the Trust, that it is likely to be able to identify the most

suitable provider (without running a competitive process).
