II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Under Regulation 44, Utilities are required to make a 'prior call for competition' in restricted procedures (Regulation 44(3)) and this can be made by way of periodic indicative notice, notice on the existence of a qualification system (e.g. the RISQS notice on c2c's website) or a contract notice.

Therefore, where a party uses a compliant notice on the existence of a qualification system, there is no need to also issue a contract notice.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract/concession
