### **Procedure type**

Direct award

### **Special regime**

Defence and security

### **Direct award justification**

- Single supplier - unique work of art or performance
- Single supplier - technical reasons
- Defence and security - qualifying defence contract new award rather than modification
- Defence and security - necessary to enhance or maintain operational capability, effectiveness, readiness for action, safety or security of the armed forces

The Lethality & Protect/Gunnery Systems & Munitions Team, part of the UK Ministry of Defence (the Authority) intends to award a contract for a period of five years to Babcock-Devonport Royal Dockyard Limited (Babcock DRDL) for Contracting for Availability (CfA) services for the Phalanx – Close In Weapons Systems (CIWS). The estimated total contract value is £60M. In accordance with Section 2 of the Procurement Act 2023 this

procurement is governed by the Procurement Act 2023. It is considered that this contract can be awarded under Section 41 of the Procurement Act 2023 because the direct award justification specified in paragraph 6 of Schedule 5 applies, in that, due to an absence of competition for technical reasons, only a particular supplier, Babcock DRDL, have the necessary technical expertise, knowledge and capability to deliver the requirement at a standard required. Babcock DRDL is the sole licence holder able to deliver the requirement and due to interoperability and capability risks there are no reasonable alternatives available.
