facilitation of public transport

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Air Quality Monitoring Services

Reference number

DN654157

II.1.2) Main CPV code

- 90731400 - Air pollution monitoring or measurement services

II.1.3) Type of contract

Services

II.1.4) Short description

Transport for Greater Manchester sought to establish a contract for a supplier to provide and install up to 43 appropriate air quality indicative monitoring devices at up to 41 locations the Greater Manchester region. The devices would need to be installed on existing street furniture. The contract would also include for the ongoing calibrating and maintenance of these devices, as well as decommissioning services at the end of the contract. The supplier was also be expected to provide data quality checks on the information that the devices gathers and to provide that data in an agreed format and at agreed times, to Transport for Greater Manchester for further analysis.

The devices were be required to monitor PM2.5 concentration levels along with PM10 as a minimum. The Indicative Monitors must demonstrate compliance with MCERTS Performance Standards for Indicative Ambient Particulate Monitors and must be capable of giving quantitative measurements as specified by the Air Quality Directive 2008. The addition of any other gaseous pollutants will be considered as adding value, providing they comply with Class 1 Indicative Classification under European Standardisation Committee (CEN) Technical Specification (TS 17660-1).

Transport for Greater Manchester, along with the 10 local authorities that make up Greater Manchester and the GMCA intend to use the information that these devices gather to help monitoring air quality around the region and to help improve the air quality (through marketing campaigns for instance) throughout the region.

This contract will run for 2 years with three further 1-year extension options for a potential

total of 5 years.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £283,888
