VI.3) Additional information

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Local authorities with local health board providers must support social value and community benefits with organisations to develop a shared understanding of the common agenda, and to share and develop good practice. The purpose is to maximise the positive outcomes and well-being of local people; influence local service provision; and add value and focus to what matters to people in a way that exceeds exclusively monetary value. This is about:

- enhancing health and wellbeing.
- building safer communities.
- maximising opportunities for fulfilling potential.
- improving the physical environment.
- supporting local economies.

Please set out how your organisation will embed the principles of social value and community benefits into its everyday activities.

(WA Ref:135990)

The buyer considers that this contract is suitable for consortia.
