II.1.4) Short description

Caerphilly County Borough Council (the Council) are issuing this notice as a request for information in relation to a replacement asset management system.

The Council are seeking to consolidate several asset management systems currently used, integrating all asset data and functionality in one management system. This will mitigate the need to enter the same data into multiple systems, reduce the risk of input errors, create greater efficiencies, increase transparency and provide a real time data to inform better management decision-making.

The purpose of this Request For Information (RFI) is to seek input from potential suppliers within the market, to establish the type of solution and functionality that is available for a modern, multi-functional asset management system.
