## Engagement process description

The Council is keen to consult and engage the provider market in the commissioning process and is inviting interested organisations to a pre-procurement market engagement Event.

This event will be held virtually via Microsoft Teams on:

Date: Tuesday, 24th June 2025

Time: 10:00am

The aim of this event is to consult with current and prospective providers on the service and how it will continue to support Haringey residents. The market engagement event will include a presentation of the Council's commissioning intentions, an overview of the anticipated requirements and the proposed procurement process. It will also offer potential service providers the opportunity to raise any questions or present any views prior to proceeding to the procurement process.

The Council is committed to working with the marketplace to maximise the commissioning opportunities under this contract and therefore would encourage all current and prospective providers to attend.

The closing date for registering attendance is 10:00am, on Monday 23rd June 2025. Please note that expressions of interest will not be accepted by any means other than through Haringey Procurement & Contracts System (HPCS).
