Section VI. Complementary information

VI.3) Additional information

The publication of a PIN will be used to undertake preliminary market consultation and inform the market of the University's intention to develop a framework for securing short term skilled development resource.

This PIN is intended to gauge interest from suppliers in order to identify suitable suppliers that ISG can engage with further to explore options. A survey has been created to understand the level of interest within the market in working with UoE to develop this new recruitment framework. Full information can be found in the additional documents section of this notice.

This information will be reviewed by the University. Please note that this is not a pre-qualification, selection or a shortlisting process.

Suppliers should send their expressions of interest and above information to:
