VI.3) Additional information

Please note that at this stage we are only seeking expression of interest and, as such, no documentation is available. Further to Paragraph 3 of the best value statutory guidance issued by the Secretary of State for Local Government in September 2011, the Council is holding an engagement event to explore plans for the delivery of this service prior to a Contract Notice being issued and tenders being invited. The event will be held at 10am on 6th December via MS Teams. The event will inform providers of our intentions and what we hope to achieve, to ascertain what potential providers see as areas of risk, to discuss delivery, and what (if anything) would stop interested parties from applying. If you are interested in this opportunity you are advised to attend. To express an interest and apply to attend the engagement event, applicants must first be registered on the procurement system at <https://in-tendhost.co.uk/norfolkcc>. Full instructions for registration and use of the system can be found at <https://in-tendhost.co.uk/norfolkcc/asp/BuyerProfiles>. Once registered you will be able to view the project under the tenders section and express an interest. To book a place at the engagement event please use the correspondence facility on In-tend and provide your organisation's name and the names and e-mail addresses of the people who will be attending. Requests to attend should be sent by close of business on 1st December 2022. If you encounter any difficulties whilst using the system you can contact the support team by phoning. +448442728810 or emailing: support@in-tend.co.uk. If you are unable to attend the event please ensure you express an interest in this project so further information can be sent to you.
