Opinions are sought regarding the outcomes of the suggested and proposed revised model ahead of opening the tender process for these services. The Council currently commissions a range of services to support people living in the community with dementia and their carers, including: Hertswise – Dementia Service in Hertfordshire, a partnership of organisations led by Age UK Hertfordshire; Alzheimer's Society's post diagnostic support service and Herts Dementia Information and Support Service; and the Admiral Nursing Service, hosted by Carers in Herts. The Council will consider any feedback received from this Phase 2 stage to help inform the Council's options and further decision making. For the avoidance of doubt, this stage of the project is not part of a formal procurement process and the Council is not committing, at this stage, to carrying out such a process. Further details are in the PPME document (Phase 2), including the questionnaire to be completed and returned.
