Section VII. Changes

VII.1) Information to be changed or added

VII.2) Other additional information

The contract end date was recorded incorrectly in the original published notice, sections II.2.4 and VI.3. The start and extension end dates were correct but end date given as 30/06/2025 instead of 2026.

As the correct start and extension end dates should have made it clear this was a typo the ICB do not anticipate extending the standstill period for this award as a result of this amendment.
