II.2.4) Description of the procurement

The successful Supplier will be required to provide cleaning services for North Leamington School (the Client).

The contract will commence on 1 January 2022 for a period of three years, with the potential for an extension of up to a further three years on a 1 + 1 + 1 basis.

This contract will be fixed price in nature with the successful Supplier also guaranteeing the number of input hours to the contract as well as the quality of cleaning provision.

We are seeking a suitably experienced Supplier who has current experience of working within the secondary school or HE / FE market place, ideally with a strong operational base within Central England, thus allowing for both adequate contract support and operational flexibility that is to be delivered to support the contract as and when needed during the contract term.

A robust level of management support must be provided by the successful contractor to ensure that the detailed specification is delivered within the contract on a consistent basis within the contract period.

The scope of the contract covers all of the cleaning provision within the school including all holiday and periodic cleans.

The successful Supplier will be expected to deliver a concise and detailed method of management reporting at the end of each month, thus updating the senior management team within North Leamington School on the contract performance.

The budgeted cost of cleaning for this contractual year is £185,000.

North Leamington School (Multi Academy Trust) is expected to grow in the number of schools becoming part of the Trust during this contract period, and the provision of cleaning services within these schools when they have joined the MAT will fall under the

scope of this contract. The successful Supplier will be expected to provide this service within these additional schools using the same costing model that they applied to their successful tender submission for North Leamington School at the point of tender submission. The duration of contract for these schools will not be increased and they will join the contract for the remaining contract period that exists at the point of entry into the MAT.

Please note: Further schools may be added to the contract during the tender process and during the life of the contract, as detailed above.
