General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Bus Reform QS and Architectural Services

Reference number

92013

II.1.2) Main CPV code

- 71220000 - Architectural design services

II.1.3) Type of contract

Services

II.1.4) Short description

This tender will be made up of 2 lots. One to provide architectural designs for bus depots, and one to provide Quantity Surveyor support for the bus franchising programme.

The architect must have experience of designing bus depots and/or stations up to and including RIBA 4. They must also have experience of designing zero emission bus charging infrastructure.

Due to the specialised nature of the cost requirements, the successful quantity surveyor should have extensive experience of bus, depots, charging infrastructure and buildings including contaminated land and asbestos disposal.

II.1.5) Estimated total value

Value excluding VAT: £500,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Maximum number of lots that may be awarded to one tenderer: 2

II.2) Description

II.2.1) Title

Bus Depot Architectural Services

Lot No

1

II.2.2) Additional CPV code(s)

- 71220000 - Architectural design services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

West Yorkshire

II.2.4) Description of the procurement

The architectural designs will need to include new build layouts up to RIBA 2, feasibility layouts up to RIBA 2 and refurbishment designs. There may also be the requirement to provide detailed design to RIBA 4 that can be used by a construction contractor to deliver against. The architect must have experience of designing bus depots and/or stations

II.2) Description

II.2.1) Title

Bus Depot Quantity Surveying Services

Lot No

2

II.2.2) Additional CPV code(s)

- 71324000 - Quantity surveying services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

West Yorkshire

II.2.4) Description of the procurement

The QS will need to provide accurate costs of the architectural designs, and may also be required to provide a quality assurance function for the Combined Authority to ensure costs put forward by contractors to carry out the works are correct. This function may not be exclusive to depots, but may be used across the entire bus reform programme.

Due to the specialised nature of the cost requirements, the successful quantity surveyor should have extensive experience of bus, depots, charging infrastructure and buildings including contaminated land and asbestos disposal.

II.3) Estimated date of publication of contract notice

28 October 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

In order to provide further information and to answer questions relating to this opportunity we

would like to invite potential participants to a supplier engagement session on the 22 October

2024 via Microsoft Teams (anticipated 10.30am – 12noon).

Please contact: masego.lynia-collen@westyorks-ca.gov.uk to express an interest in attendance.

Your request to participate should include as a minimum –

- Full Organisation name and address
- Company registration number (where applicable)
- Contact details of the participant/s including Name, Position/Job Title, Email address and contact telephone number.

Please note: a maximum of 2 participants per organisations will be permissible.

It is likely that the engagement session will be followed by an opportunity to complete a questionnaire to provide feedback on the proposed procurement

Please note this PIN is for prior information only and is not a call for competition. Any

subsequent tender documentation in connection to this opportunity will go live on our e-tendering system, YorTender, in due course (<https://yortender.eu-supply.com>). Suppliers are

advised to register on the above tender platform in anticipation of our tender opportunity.
