Public sector framework provider

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Aluminium Windows & Doors

Reference number

A8

II.1.2) Main CPV code

- 45421130 - Installation of doors and windows

II.1.3) Type of contract

Works

II.1.4) Short description

This opportunity has been listed by LHC Procurement Group on behalf of the Scottish Procurement Alliance (SPA) and our other regional entities:

Consortium Procurement Construction (CPC)

LHC London and South East (LSE)

South-West Procurement Alliance (SWPA)

Welsh Procurement Alliance (WPA)

LHC Procurement Group are looking for suitable organisations to bid for our Aluminium Windows and Doors Framework (A8). This will be it's 8th iteration and will seek to build on the strengths of our existing product.

The framework scope seeks to provide windows, doors, doorsets, and curtain walling products via a complete survey and installation service for both domestic and commercial properties.

II.1.5) Estimated total value

Value excluding VAT: £4,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description**II.2.2) Additional CPV code(s)**

- 45421100 - Installation of doors and windows and related components

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

II.2.4) Description of the procurement

The Aluminium Windows and Doors Framework will be the successor to LHC's current Aluminium Windows and Doors Framework (A7) which expires May 2024. The framework will be designed to support clients with the design, supply and installation of aluminium windows, doors, doorsets, and curtain walling for all types of public sector refurbishment and new build projects.

The option for supply and delivery or supply only, can be built into the specification as well as repairs without the need of additional lots.

II.2.5) Award criteria

Quality criterion - Name: Regional Capability Questions / Weighting: 15%

Quality criterion - Name: Technical Capability Questions / Weighting: 40%

Quality criterion - Name: Factory Assessment / Weighting: 15%

Price - Weighting: 30%

II.2.6) Estimated value

Value excluding VAT: £4,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

This contract is subject to renewal

Yes

Description of renewals

A possibility for a one year extension if required.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

LHC intend to appoint up to six (6) bidders per regional area to ensure LHC clients have adequate service coverage within each region. LHC reserve the right to appoint additional bidders where LHC deems it appropriate to support client needs and local / regional representation of appointees to the Framework.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Full details of the minimum requirements to be considered eligible to bid for this framework can be found in the procurement documents provided through the In-Tend Portal.

III.1.2) Economic and financial standing

List and brief description of selection criteria

For the financial stability assessment, LHCs' financial team will undertake the following process to carry out a robust assessment of a Bidders' financial standing:

- 1) Credit score – LHC use Creditsafe to carry out initial checking of a Bidders' financial status and help inform the subsequent assessments carried out by LHC.
- 2) Annual Turnover - Bidders will be assessed based on their average annual turnover for the past 3 years by comparison to the minimum turnover requirements set out in the contract notice and/or tender document documents.
- 3) Profitability, Stability and Liquidity Assessment – Bidders will be assessed on their financial stability based on a range of financial information obtained from the Bidders annual accounts.

Minimum level(s) of standards possibly required

Bidders will be required to have the following minimum levels of insurance for all lots applied for:

- >Employer's (Compulsory) Liability Insurance = 5 million
- >Public Liability Insurance = 5 million GBP
- >Professional Indemnity = 1 million GBP
- >Product Liability = 2 million GBP

Full details of the minimum requirements to be considered eligible to bid for each lot can

be found in the procurement documents provided.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders are required to have the following ISO qualifications (or equivalent) or demonstrate compliance with these standards by completing the PAS 91 standard question:

Health and Safety certification in accordance with ISO 45001 (please refer to ITT for accepted equivalents)

Environmental Management certification in accordance with ISO 14001 (please refer to ITT for accepted equivalents)

Quality Management certification in accordance with ISO 9001 (please refer to ITT for accepted equivalents)

For any additional accreditation requirements, please refer to ITT documents for full details.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

As part of it's monitoring of the performance of projects delivered through this framework, following completion of each project LHC/SPA will require the relevant appointed company to provide project performance data based on a standardised set of key performance metrics.

Date

15 December 2023

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 6 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

15 December 2023

Local time

12:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

LHC Procurement Group Limited is a not for profit central purchasing body acting on behalf of contracting authorities throughout Scotland, England and Wales (including partners of the Scottish Procurement Alliance, Welsh Procurement Alliance and South West Procurement Alliance) for whom we continue to monitor up to 500 live projects at any one time. Thanks to their ongoing and collective feedback and input into the development of this framework and given the reach and scale of their collective portfolios, the framework is both designed and anticipated to support the vast majority of requirements. Consequently, other contracting authorities that were not specifically consulted in the development of this framework may nevertheless also deem the framework to offer a value for money procurement solution for their own requirements and may also use the framework.

As of the date of publication of this notice our frameworks may be used by all contracting authorities in Scotland as defined by the Public Contracts (Scotland) Regulations 2015 and as listed on [https:// www.scottishprocurement.scot/who-we-work-with/](https://www.scottishprocurement.scot/who-we-work-with/), including, but not limited to Registered social landlords (RSL's), tenant management organisations (TMOs) and arm's length management organisations (ALMOs), local authorities and any subsidiaries and joint-venture vehicles of those local authorities, health authorities, councils, boards and trusts, publicly funded schools, universities and further education establishments, colleges, police forces, fire and rescue services or registered charities.

SPA partners may add community benefit requirements in their call-off contracts from this Framework including but not limited to:

- to generate employment and training opportunities for priority groups;
- vocational training;
- to up-skill the existing workforce;
- equality and diversity initiatives;
- to make sub-contracting opportunities available to SMEs, the third sector and supported businesses;
- supply-chain development activity;
- to build capacity in community organisations;
- educational support initiatives

The Contracting Authority does not intend to include a sub-contract clause as part of

community benefits (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

The Contracting Authority does not intend to include a sub-contract clause (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

As this is a tender for the establishment of a framework this is not appropriate but may be included in call off contracts.

The Contracting Authority does not intend to include any community benefit requirements in this contract for the following reason:

The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

As this is a tender for the establishment of a framework this is not appropriate but may be included in call off contracts.

(SC Ref:748960)
