VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

In accordance with Regulation 72(1)(b) of the Public Contract Regulations 2015, the parties have agreed a modification for the provision of further functionality to the Registry.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The work builds on the work already done to develop the Registry system, which has now gone live. There would be both inconvenience of additional time, and duplication in costs regarding familiarisation of a different contractor, if a change of contractor were to occur.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £974,332

Total contract value after the modifications

Value excluding VAT: £5,573,185
