The NCETMs role is to deliver the national programme of mathematics support and continuing professional development (CPD) on behalf of DfE, in England

We are seeking bids from organisations that can demonstrate how they can support the Maths Hubs to cascade, embed and retain fidelity of the Teaching for Mastery programme including the Mastery Readiness Programme We invite bids from individual organisations or consortia, or similar capable of delivering a national programme.

The NCETM provider will undertake a pivotal coordination and leadership role in working with Maths Hubs to deliver strategic goals.

The NCETM will be responsible for transforming the teaching of primary and secondary mathematics through robust implementation of the Teaching for Mastery programme. DfE wishes to maintain consistent high-quality training and support in all areas of programme delivery with the aim of embedding the pedagogical practice of mastery.

The purpose of the NCETM is to provide a central source of expertise, information and evidence on teaching, pupil knowledge acquisition and teacher professional development in mathematics. The NCETM utilises the Maths Hubs network to support this aim, including by cascading the Teaching for Mastery programme across primary and secondary schools in England and building mathematics expertise in the school system.

The purpose of the Teaching for Mastery programme is to train teachers in the mastery approach to teaching mathematics so that all pupils receive a high-quality education and can master the fundamental basics of mathematics.

The NCETM will have three key programme aims to deliver for DfE: (i) management of the Maths Hubs to deliver improvements in the teaching of mathematics; (ii) build mathematics expertise in the school system and (iii) deliver the Teaching for Mastery in primary and secondary schools.

Your organisation must be able to commit to recruiting and delivering in line with the reach and scope outlined in this tender between 2022 and 2024.

We are running this procurement via open competition and publishing via Contract Finder. We welcome bids from SMEs and VCSs.

The Authority will incorporate a voluntary minimum 10 calendar day standstill period at the point

information on the award of the Contract is communicated to tenderers. Applicants who are unsuccessful

shall be informed by the Authority as soon as possible after the decision has been made as to the reasons

why the Applicant was unsuccessful. If any clarification regarding the award of the Contract has not been

successfully resolved, The Public Contracts Regulations 2015 (SI 2015 No. 102) provide for aggrieved parties

who have been harmed or are at risk of harm by breach of the rules to take legal action.

Any such action must be brought within the applicable limitation period. Where a contract has not been

entered into, the Court may order the setting aside of the award decision or order the Authority to amend

any document and may award damages.

If a contract has been entered into the Court may, depending on the circumstances, award damages, make a

declaration of ineffectiveness, order the Authority to pay a fine, and/or order that the duration of the

contract be shortened. The purpose of the voluntary standstill period referred to above is to allow the parties

to apply to the Courts to set aside the award decision before the Contract is entered into.
