II.2.4) Description of the procurement at the time of conclusion of the contract:

The Crown Office and Procurator Fiscal Service (COPFS) will be entering into a contract with Applications DBA Ltd to supply Oracle Database Administrator Services for its business-critical Database Environment; for the planning, design and migration of our Oracle database systems to support the remaining transition of COPFS' datacentres to offsite locations; the planning, design and development of our next generation Case Management System; and establishment of enhanced IT and business resiliency systems.

This requires in-depth knowledge of COPFS current environment and infrastructure as well as extensive experience and up to date qualifications and skills in Oracle DBA to be able to provide knowledge transfer, support the transition of new team members and produce detailed systems documentation for COPFS case management systems, activities requiring bespoke and detailed technical understanding of COPFS FOS, PROMIS and other case management systems This is a business-critical service and for technical reasons competition is absent.

The original contract was envisaged to be complete by November 2024, to successfully complete the activities surrounding our in-flight projects it is necessary to retain the services delivered from the incumbent supplier for a further 12 months.

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Variation to contract to extend for a further 12 months.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The original contract was envisaged to be complete by November 2024, however, the

knock-on effect of re-alignment of priorities during 23/24 has meant that other related changes and planned upgrades have now slipped into 24/25. To successfully complete the activities surrounding our in-flight projects it is necessary to retain the services delivered from the incumbent supplier for a further 12 months.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £286,000

Total contract value after the modifications

Value excluding VAT: £429,000
