## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Parksafe Systems are an exclusive supplier and operator of the security systems in place at both car parks. Bold Lane car park currently enjoys a reputation for being one of the safest car parks in the world. Re-tendering for a new supplier would mean the security measures in place could be compromised and any new supplier would likely lead to a significant revenue investment requirement from the Council as new infrastructure would be needed.

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

### IV.2) Administrative information
