Description

Westminster City Council (WCC) is seeking to procure a robust and cost-effective Treasury Management System (TMS) on behalf of the Tri-Borough (London Borough of Hammersmith and Fulham and Royal Borough of Kensington and Chelsea) and the London Borough of Bexley that will enhance and support the Council's daily operational and strategic treasury management activities. This is critical software that helps to manage the treasury function for the council.

WCC provides treasury services for four councils and each currently uses the same system.
